6. [] LIAISON Called Tom Eff, on the staff of Representative Michael Harrington (D., Mass.), in response to his request for information on the economic situation in Peru. I told him that we would send him two Agency publications entitled "National Basic Intelligence Factbook" and "Communist Aid to the Less Developed Countries of the Free World, 1976." 25X1
7. [] LIAISON Received a call from Rich DiEugenio, in the office of Representative Gary Myers (R., Pa.), requesting that the Congressman be added to the mailing list for the FBIS publication on the Soviet Union. I told him I would take care of this, and advised the FBIS Liaison Office. 25X1
8. [] LIAISON Saw Loch Johnson, on the staff of the House Permanent Select Committee on Intelligence, and asked him when he thought we might expect Representative Les Aspin's (D., Wis.) contributions to wording Mr. Aspin would most like to see in the DCI's regulation governing CIA's contact with the media. Mr. Johnson said that we would receive Mr. Aspin's input no later than 14 April. 25X1
9. [] LIAISON Advised Pat Long, House Permanent Select Committee on Intelligence staff, that his Agency badge was ready for processing and the only thing that is lacking is his coming out to the Agency to get his picture taken. He said he would be out here next week to get this accomplished. 25X1
10. [] LIAISON Received a call from Don Sanders, Senate Select Committee on Intelligence staff, who asked me questions about the appropriate classification of the Subcommittee on Special Investigations report on Agency activities [] which I answered. I later met with Sanders and picked up from him a copy of the security manual for his Senate Select Committee on Ethics investigation into possible Congressional leaks, and a letter from Senator Robert Morgan (D., N. Car.) to the Director. I answered one of three questions Sanders had previously asked me related to the investigation of Agency activities [] I agreed to answer the other two by 20 March as a meeting of the Senate Select Committee on Intelligence Subcommittee on Special Investigations is now set for 21 March. 25X1

16. [REDACTED] LIAISON Met with Bill Miller, Staff Director, Senate Select Committee on Intelligence, who asked me about outstanding requests for a SALT Matrix, papers related to [REDACTED] and documents on the Middle East arms balance. I agreed to check into these for Miller. I later accompanied Don Gregg, SA/DO/O, to a meeting with Miller covering several subjects. Regarding the [REDACTED] papers the Committee has requested, Gregg tentatively agreed to provide these under very tightly restricted Committee access. Regarding the Committee letter on former Agency employees [REDACTED] Miller indicated the Committee was trying to be helpful to the Agency and thought that it would benefit the Agency to be portrayed as caring about former employees, admitting mistakes, and rectifying wrongs. Miller emphasized the Committee would not do anything on this case that would be harmful to the Agency.

17. [REDACTED] CONSTITUENT Received a call from Michelle Asher, in the office of Representative Mark W. Hannaford (D., Calif.), who had a request from a constituent who is a teacher for 45 copies of any pamphlets containing general information about the Agency. I told Michelle that I could not provide that many copies but that I would send one package with quite a bit of general information to her for the constituent. She said that would be fine. The material included "Career Opportunities," "Executive Order 12036," "Intelligence in the War of Independence," "Central Intelligence Agency" (grey brochure), several handouts from the Public Affairs Office, and a list of unclassified publications available from the DOCEX Project at the Library of Congress. The material was mailed today.
